

# FIRE PROTECTION OPTIONS

I understand and acknowledged that, if granted a full exemption I will not be paying the Fire Special Assessment and will be responsible for a \$2500.00 fire run fee should an emergency fire run be made at the above address. When billed, said fire run fee will be due immediately and if not paid with thirty (30) days, the amount will be added to the winter tax bill.

I would like to pay the Special Assessment for Fire Protection and not have to be responsible for the Fire Run Fee
